

# M316S - 3U RUGGED RACKMOUNT SERVER

## *Rugged System Built for Extreme Environments*

The rugged M316S is a short-depth 3U rackmount server built for applications that require speed, reliability, and security. The high-performance M316S is designed to save space without sacrificing power thanks to our SWaP-Optimized design.

## CUSTOM BUILT RUGGED SYSTEM

### **6X HOT-SWAP DRIVE**

- ▶ ALL-ALUMINUM CHASSIS
- ▶ LATEST NVIDIA® TECHNOLOGY
- ▶ LATEST INTEL® TECHNOLOGY
- ▶ MIL-SPEC TESTED
- ▶ BUILT IN THE USA

Built with ultra-sturdy all-aluminum chassis, this rugged computer features six shock-mounted hot-swap drives and supports the latest Intel® Quad and Hexa-Core CPUs while providing six full-height PCIe slots on the rear of the chassis. The rugged M316S includes the latest single-stack NVIDIA® Tesla® GPU Card which provides our customers with high-performance data analytics and scientific computing abilities.

# M316S - 3U RUGGED RACKMOUNT SERVER

## TECHNICAL SPECIFICATIONS

|                 |                                                                                                                            |
|-----------------|----------------------------------------------------------------------------------------------------------------------------|
| MECHANICAL      | Height - 5.25 in (13.335 cm), Width - 17 in (43.18 cm), Depth - 16.00 in (40.64 cm)<br>Weight - 30-35 lbs (13.60-15.87 kg) |
| CPU             | Latest Dual Intel® Xeon® CPUs                                                                                              |
| EXPANSION SLOTS | Six (6) full-height, 3/4 length slots; Multiple PCIe slot combinations are available                                       |
| EXTERNAL BAYS   | 6x removable hot-swap SATA or SAS 2.5 or 3.5 HDDs                                                                          |
| COOLING         | Thermostatically controlled via motherboard                                                                                |
| POWER SUPPLY    | Option 1- (std) 600W AC power supply<br>Option 2- 28VDC power supply                                                       |
| SYSTEM BOARD    | Extended ATX Motherboard                                                                                                   |
| CHASSIS TYPE    | Lightweight aluminum chassis                                                                                               |

## ENVIRONMENTAL SPECIFICATIONS

|                   |                                                                                                            |
|-------------------|------------------------------------------------------------------------------------------------------------|
| OPERATIONAL TEMP. | MIL-STD-810F, Method 501.5 Procedures I/II; -15°C to +55°C                                                 |
| STORAGE TEMP.     | MIL-STD-810F, Method 501.5, Procedures I/II; -55°C to +85°C                                                |
| HUMIDITY          | MIL-STD-810F, Method 507.4; 48 Hour, 95% RH 40-65C (with conformal coat option)                            |
| ALTITUDE          | MIL-STD-810F, Method 500.4; 12,500ft operation with 40,000ft transport                                     |
| VIBRATION         | MIL-STD-810G, Method 514.6 Procedure I; 4.43 GRMS, 5-20000Hz, 60min/axis                                   |
| SHOCK             | MIL-STD-810G, Method 516.6, Procedures I/V; 20g, 11msec - functional shock; 40g, 11msec crash hazard shock |
| OTHER             | MIL-STD-461F CE & RE emissions (with 461 filter option)                                                    |

### ABOUT US

Core Systems is a premier manufacturer of best-in-class rugged computers and rugged displays. We design and manufacture all of our products in Poway, California. Our 65,000+ square foot facility features onsite engineering, assembly, and testing along with a complete metal fabrication and machining facility. Our wide range of rugged products are deployed in ground vehicles, aircraft, and maritime installations worldwide.
